

Submitter: Sara Garcia
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202

Dear Legislators,

Please vote YES on H.B. 3202 (the Night Skies Protection bill) in order to protect our ecosystem against the damages caused by light pollution.

House Bill 3202 builds on what other states have already done. This simple bill will help protect migratory birds as well as help ensure a vibrant ecosystem that benefits humans too.

Let's protect our night skies now while we still have them, instead of trying to restore them after they're gone!
