Committee: House Committee On Judiciary
Measure: HB3390

As an avid fly tier and fly fisherman, I'm opposed as it is currently written. Fur products are often used in fly tying, fly fishing and fishing. Please add fly tying and fly fishing to the list of exemptions. Not doing so would have negative impact on this industry and form of recreation. For reference, see this page on a typical fly shop here in Oregon: <https://www.caddisflyshop.com/fly-tying-hair---fur.html>

Thanks,
Mike Juliana
