

Submitter: Candice Hathaway
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

I hereby wish to submit my testimony unto Oregon legislators that I am in strong opposition of this amendment. I can reason after reason as to why this should not pass but I will leave it simple. You, the government, cannot and will not infringe on our right to bare arms. We are protected by the Constitution of the United States, and YOU are not above the law. We the people will NEVER give up our rights and freedoms to tyranny. And may I remind you that The Declaration of Independence says that we the people not only have the right but we also have the duty to alter or abolish any government that does not secure our unalienable rights, including life, liberty, and the pursuit of happiness. This includes Oregon government. Tread lightly and hold true to the oath you took to protect the American people.

" You cannot invade mainland United States. There would be a rifle behind each blade of grass."
