

Submitter: Alex Prentiss

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3202

SUPPORT HB 3202:

Please vote "yes" for House Bill 3202. It's time for Oregon to get to work to address the issue of light pollution. This bill helps prevent birds and nocturnal animals from being adversely affected by over-illumination, as well as the effects on our own health and safety.

Thank you.
