

Submitter: Karen Boulton
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202

To the Oregon Legislature:

I hope to count on your support of the Night Skies bill, HB 3202, which seeks to mitigate the detrimental effects of light pollution on our environment.

House Bill 3202 builds on what other states have already done. Nocturnal animals are dependent upon uninterrupted nighttime hours, and behavioral changes stemming from over-illumination can have effects on humans' ecosystem as well.

Protecting our night skies while we still have them is easier than trying to restore them once they are gone. Please!

Karen
