On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB408

I am writing in opposition to SB408. I do not see how adding this layer of bureaucracy would benefit Oregonians, while it is clear that this bill would have an impact on our healthcare options and choices. I oppose censorship of medical providers as well as a one-size-fits-all standardized medical care model. Please vote against SB408 to protect medical choice and freedom.
