

Submitter: Laura Beal
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202
To Oregon Lawmakers:

Please support House Bill 3202, which seeks to mitigate the detrimental effects of light pollution on our environment.

Many other states have taken such steps already. Light pollution can disrupt carefully choreographed ecosystems including impacting animals' feeding habits, migration, and predator/prey relationships, and can have far-reaching effects on human health as well.

It's easier to protect our night skies while they're still here than to try to repair them after they are gone!
