Measure: HB3513

I oppose HB 3513. Enough with the unconstitutional infringements and restrictions placed upon law abiding gun owners and Concealed Handgun License holders. Perhaps the author of this bill should take time to read this little nugget on information. 42 U.S. Code § 1983 - Civil action for deprivation of rights - Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia, subjects, or causes to be subjected, any citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress, except that in any action brought against a judicial officer for an act or omission taken in such officer's judicial capacity, injunctive relief shall not be granted unless a declaratory decree was violated or declaratory relief was unavailable. For the purposes of this section, any Act of Congress applicable exclusively to the District of Columbia shall be considered to be a statute of the District of Columbia.

This is exactly what HB 3513 does.

Reach out to the author of this bill and tell him to reconsider infringement.

Thank you,
