

Submitter: Dayna Curtis
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

I am a teacher and I am asking for help. I don't want to die at school, I don't want my kids to die at school, near the school or on the field or court at their athletic events. Gun violence needs to be reduced. Please help by implementing measure 114-348. Thank you for making 114 better & smoother for implementation. The 160 thousand Oregonians who signed the measure 114 petition want those toothsome provisions that will make our schools, neighborhoods, streets, and stores SAFER from gun violence.
