

Submitter: Morris Chandler

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I am strongly opposed to the Bill348! It will do NOTHING to stop non-abiding individuals from committing crimes! It will ONLY MAKE LAW- ABIDING CITIZENS criminals. The proposed fee change will PREVENT law- abiding citizens from exercising their 2nd amendment rights! The ban on magazine size is WORTHLESS! Criminals ALREADY have high capacity magazines and will CONTINUE TO USE THEM TO COMMIT CRIMES! Please change your thinking about what you are trying to accomplish and make rules that will DIRECTLY AFFECT THE CRIMINALS!!!!!!!!!!
