RE: HB 3532, Trust for Cultural Development Administrative Cap Change

Dear Chair Bynum and Committee Members:

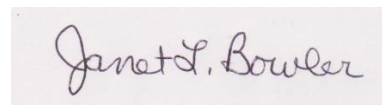

My name is Janet Bowler and I am volunteer chair for the Clatsop County Cultural Coalition. I am writing to you today in support of HB 3532, a revenue neutral bill to change the administrative spending cap of the Trust for Cultural Development (dba The Oregon Cultural Trust – OCT). Our County Cultural Coalition supports this bill which will enable the Trust to better serve grantees through deeper organizational capacity.

The Oregon Cultural Trust is a unique-to-the nation vehicle for supporting over 1500+ eligible nonprofits with grant funds to meet our shared mission of making sure every Oregonian has access to arts and culture in their community. Oregonians have built a corpus of over \$30 million dollars using the tax credit generously provided by the state. The original administrative cap of \$400,000 needs to be modernized to keep pace with the current demands and needs of Oregon's cultural organizations, the 45 county and tribal coalitions, and the five statewide agency partners currently supported. HB 3532 is a revenue neutral policy change that will exponentially increase our collective capacity to serve our cultural community.

Clatsop County is rich in cultural activities in the visual and performing arts, humanities, and heritage. We were able to distribute valuable funding during the pandemic years to keep our cultural non-profit arts institutions alive. However, our fifteen-member volunteer board relies on support from the Oregon Cultural Trust to keep our local coalition running. Increasing their administrative and technical support would go a long way to keeping our group functioning too. Oregon is a culturally rich state with much diversity. Supporting the administration of the OCT is a good way to strengthen their aid to local counties and tribal groups. All Oregonians benefit – those who live in the counties and those who visit the counties to partake in culture wherever they go.

We in Clatsop County know the power of creativity to build communities and collective understanding. We know the economic impacts that arts and culture bring to our state through tourism, event attendance and scholarly study. This sector has been among the hardest hit from the pandemic and recovery continues. Not only do we need more public financial support, but we need to update our tools and support our dedicated volunteer networks to serve the sector at this critical time.

On behalf of the Clatsop County Cultural Coalition, I strongly urge your support for HB 3532. Thank you for the opportunity to hear directly from the field about the important work of the Oregon Cultural Trust.

Janet Bowler, Chair, Clatsop County Coalition
