

Submitter: Anne Trainor

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3202

To the Oregon Legislature:

Please vote YES on H.B. 3202 (the Night Skies Protection bill) in order to protect our ecosystem against the damages caused by light pollution.

It's time for Oregon to get to work to address this issue. This simple bill will help protect migratory birds as well as help ensure a vibrant ecosystem that benefits humans too.

It's easier to protect our night skies while they're still here than to try to repair them after they are gone!
