

Submitter: Brian Brewer

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3202

IN SUPPORT OF HB 3202

Please vote YES on H.B. 3202 (the Night Skies Protection bill) in order to help improve wildlife welfare, human health, and our environment generally.

Many other states have taken such steps already. Light pollution can disrupt carefully choreographed ecosystems including impacting animals' feeding habits, migration, and predator/prey relationships, and can have far-reaching effects on human health as well.

Let's protect our night skies now while we still have them, instead of trying to restore them after they're gone!
