

Submitter: Sue Tarjan
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202

To the Oregon Legislature:

Please vote YES on House Bill 3202, which can help curtail the damage done by light pollution to wildlife as well as human health.

House Bill 3202 builds on what other states have already done. This simple bill will help protect migratory birds as well as help ensure a vibrant ecosystem that benefits humans too.

It's easier to protect our night skies while we still have them than to try to restore them once they are gone.

Most sincerely,
Sue and Jim Tarjan
Portland, OR
