

Submitter: Arlene Gardner

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

Thank you for this comprehensive bill. I selected neutral based on the fact that I am committed to the full implementation of Measure 114 and would prefer that the emphasis be placed on that bill. Otherwise, anything that the legislature can accomplish in promoting gun safety would be welcome.

Please consider how you can work toward moving Measure 114 forward.

Thanks
