

Submitter: James Hepler  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB3513

It seems to me that a much less expensive way to address this would be to revoke the law that makes it difficult or illegal to transfer firearms to a friend or relative if you feel the need. Sorry, but I don't want to see my tax dollars spent to fix your screw-ups! Welcome to the ranks of the oppressors Senator Boquist.
