

Submitter: Jared Wright

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

Thank you for reading this. I oppose this bill as well as 114. I am a law abiding citizen and this will take away from me being able to protect myself and my wife and 3 kids. Criminals and people with ill intent do not follow rules or the law. This will only impact all the law abiding citizens in Oregon. I strongly oppose. Thank you for your time
