Measure: SB348

March 28, 2023

To the Oregon Senate Judiciary Committee  
from Maureen Hudson, Rural Lane County

Thank you for this hearing of Bill 348. As a rural resident and gun owner I want to register my support for these sensible steps to limit potential harm as well as protect gun rights. Let Oregon lead the Country out of our current nightmare. When we can't go to school, house of worship, shop, movies, concerts, demonstrate, or have celebrations and parades without fear of a massacre, somethings is terribly wrong with our society. When weapons of war are available to minors and others we have seen tragic consequences.

Please pass this bill to the next step. All of us deserve our state government to function and take responsibility to solve serious problems now. And my little grandchildren deserve a fear-free future where school doesn't mean the possibility of dying.

Thank you.
