On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB320

Measure 11 is the voice of the voters of Oregon and should not be changed without a new Measure being sent to the voters. First Oregon is looking to allow these criminals a voice to vote while in prison our rapists and murderers and now Oregon is looking to reduce there prison sentence going AGAINST measure 11 that was voted in by Oregon voters NOT passed by our legislature but passed by the NON criminals of our state. Really don't understand what all this hugging up to the criminals is all about, but honestly it's sickening if anything you should be sending those hugs to the victims and there families. Measure 11 should stand and NO prisoners shouldn't vote on this either.
