

Submitter: Chad Kernutt
On Behalf Of: WE THE PEOPLE
Committee: Senate Committee On Judiciary
Measure: SB320

Dear legislators,

I urge you to vote NO on SB-320. I speak on behalf of law abiding Oregonians who do not believe in rewarding criminals and giving them more rights and luxuries and breaks when they have not yet served, paid, and fulfilled their debt to society and victims. People are in prison for breaking our laws, violating other people's rights, to protect society from harm they may perpetrate, and as a form of justice for their victims. It is the consequences they face for their actions and decisions. There has to be some justice for crime if we are to live in a just and peaceful society. Does the judicial system even work and is it even necessary if convicted criminals face little consequences. Might as well let victims seek their own justice and go eye for an eye and tooth for a tooth then.

This is an issue for voters who have already spoke resoundingly when they passed measure 11 by a 2/3 majority, it is not for a committee that is biased because they sponsored the bill. Please I urge you to represent law abiding Oregonians and our interests and the interests of victims of crime and to not appease the perpetrators and criminals and act like they are somehow starved of rights and breaks that they deserve and are entitled to when they are not. If you want to play hug a thug then go into another line of work. Please don't rob victims of due justice and go against the will of WE THE PEOPLE and law abiding citizens. Please vote NO on SB-320. Thank you.

Sincerely,
Chad Kernutt
