

Submitter: Miranda Wood
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

Any legislation to implement Measure 114, now in the form of SB 348, must fully implement Measure 114 as Oregon Voters supported and passed it. Please clarify provisions and smooth implementation, but don't weaken Measure 114 in any way.

Retaining the basic measures approved by voters in Measure 114 will reduce gun deaths for those most affected by them including domestic abuse victims, children, and veterans while imposing no significant barrier for responsible gun owners. Our country is at a crisis point and this small measure can save people in our communities. Please implement Measure 114 as written and approved by the voters of Oregon. Thank you.
