Measure: SB348

I do not support any bill that would further delay a desperate need for gun reform and restriction of assault weapons. I do not feel safe sending my child to school. There also was a shooting at the Safeway in Bend where my Dad had just been about an hour prior. I feel desperate over this issue. I want to be able to send my son to school and feel safe. That should be an achievable goal in the "greatest country in the world." Any restrictions must be implemented NOW. No further research needed.
