

Submitter: Charlotte Maloney
On Behalf Of: self
Committee: Senate Committee On Judiciary
Measure: SB348

I collected signatures to place Measure 114 on our ballot. I'm a 73 year old retired occupational therapist. And a wife over 51 years and mother of a 40 year old physical therapist.

Please do all you can to not weaken the components of Measure 114. It is the will of the people, after all.

Thank you for your service to our state's people,

Sincerely, Charlotte Maloney
