Measure: HB3202  
To Oregon Lawmakers:

I am writing to urge your support of HB 3202, which seeks to mitigate the detrimental effects of light pollution on our environment.

Oregon should follow the lead of other states that have already taken this step. Nocturnal animals are dependent upon uninterrupted nighttime hours, and behavioral changes stemming from over-illumination can have effects on humans' ecosystem as well.

It's easier to protect our night skies while they're still here than to try to repair them after they are gone!
