On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202
To Oregon Lawmakers:

Please support House Bill 3202, which will create standards to limit and mitigate light pollution across Oregon.

House Bill 3202 builds on what other states have already done. Light pollution can disrupt carefully choreographed ecosystems including impacting animals' feeding habits, migration, and predator/prey relationships, and can have far-reaching effects on human health as well.

It's easier to protect our night skies while they're still here than to try to repair them after they are gone!
