Committee: Joint Committee On Transportation  
Measure: HB3202

Dear Legislators,

I am writing to urge your support of HB 3202, in order to help improve wildlife welfare, human health, and our environment generally.

House Bill 3202 builds on what other states have already done. This simple bill will help protect migratory birds as well as help ensure a vibrant ecosystem that benefits humans too.

Protecting our night skies while we still have them is easier than trying to restore them once they are gone.
