On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3202

To Oregon Lawmakers:

I am writing to urge your support of HB 3202, which seeks to mitigate the detrimental effects of light pollution on our environment.

Oregon should follow the lead of other states that have already taken this step. This simple bill will help protect migratory birds as well as help ensure a vibrant ecosystem that benefits humans too.

It's easier to protect our night skies while we still have them than to try to restore them once they are gone.
