On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202

To Oregon Lawmakers:

Please support House Bill 3202, which will create standards to limit and mitigate light pollution across Oregon.

Many other states have taken such steps already. This simple bill will help protect migratory birds as well as help ensure a vibrant ecosystem that benefits humans too.

It's easier to protect our night skies while we still have them than to try to restore them once they are gone.
