

Submitter: Dawn Treanor
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202

To Oregon Lawmakers:

Please support House Bill 3202, in order to protect our ecosystem against the damages caused by light pollution.

House Bill 3202 builds on what other states have already done. Behavioral and hormonal changes in animals due to over-illumination can have far-reaching effects on public health as well.

Protecting our night skies while we still have them is easier than trying to restore them once they are gone.
