

Submitter: Emily
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202

To the Oregon Legislature:

I am writing to urge your support of HB 3202, in order to help improve wildlife welfare, human health, and our environment generally.

House Bill 3202 builds on what other states have already done. Nocturnal animals are dependent upon uninterrupted nighttime hours, and behavioral changes stemming from over-illumination can have effects on humans' ecosystem as well.

Let's protect our night skies now while we still have them, instead of trying to restore them after they're gone!
