

## I OPPOSE [SB 106]...

<https://olis.oregonlegislature.gov/liz/2023R1/Downloads/MeasureDocument/SB106/Introduced>

[SB 106] states, "...SECTION 1. *The Department of Human Services shall study disposition rates of child abuse investigations.* The department shall submit a report in the manner provided by ORS 192.245, *and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to human services no later than September 15, 2024.*"

[ORS 192.245]: [https://oregon.public.law/statutes/ors\\_192.245](https://oregon.public.law/statutes/ors_192.245)

[SB 106] has "No" budget allocation(s) for the study.

From my perspective, "the disposition rates of child abuse cases" should be already known in real time. You should hit a button on your computer keyboard and the information should be displayed.

What is going on with the management of Human Services?

I cannot support funding study for information that should be instantaneously accessed.
