Measure: SB348

We the People formed government to protect our god given and constitutional rights.
So do your job or resign.

The 2nd Amendment is very clear the RIGHT TO BEAR ARMS SHALL NOT BE INFRINGED!! Any restriction or law that does so is UNCONSTITUTIONAL including everything in this bill. Any action that goes against the Constitution and supported by any government official, or even one of We the People, is an act of treason.

The founders were very clear about their INTENT of the 2nd Amendment that We the People have the GOD given RIGHT to protect ourselves from tranny and those that would do us harm. Denying government of ANY authority to pass any law that denies or restricts that RIGHT in any way !!! The 2nd Amendment is We the Peoples authority to keep and bear arms with out government interference.

This bill should have not even gotten this far in the process. It should have been ruled unconstitutional and thrown in the garbage. It is already in the courts and the judge put a stop to it until the case can be heard in September. There is a good reason for this. There is no excuse for this treason.

Government is out of control on this issue. Constantly having to spend We the Peoples hard earn money and our precious time Redressing Government for this same unconstitutional issue, is outrageous. THIS NEEDS TO STOP NOW !!!!!
