Staff Measure Summary:

Oregon wants to heap on fees and registration costs to buy a gun legally under the auspices of **Measure 114**.

If one obeys our great Constitution of the United States of America, specifically the Second Amendment there is "No" requirement to obey Measure 114.

I solely believe in the Constitution of the United States of America when it comes to temporal matters.

If Oregon can break Federal Laws pertaining to Immigration (Sanctuary State), Legalize most federally controlled drugs and flagrantly allow vicious crimes to go unpunished, the State of Oregon is going to be hard pressed to incarcerate all the Felons it will be making concerning enforcement of unconstitutional gun laws.

David S. Wall

Mr. Oregon Concurr and says, "Explain all the constitutional take-a-ways listed in the Staff Measure Summary of [SB 348]."
