

Submitter: Donna Bishop
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

I am totally opposed to this bill.

I am an American, I am a woman and I am totally opposed to any taking away of my rights to bear arms to protect myself. This bill makes it very difficult to purchase a gun because the fees it would impose.

I have a right as an American to protect myself and my family from the escalating violence in the land.

No on SB348
