Measure: SB348

I am begging you to pass SB 348. This is common sense gun reform. It will save lives. It will prevent both mass shootings and suicides. Most Americans and Oregonians support reforms like those included in this bill. Measure 114 is proof. We need courageous politicians to do the will of the people to protect us.

The Second Amendment right of gun owners is not more important than the right to life that the rest of us have.

Thank you,
Kaellen Hessel-Owens
