

Submitter: Eugene Uphoff

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

Measure 114 represents an important first step toward reducing the carnage of unlimited access to firearms. The clear and obvious success of the previous ban on assault rifles is often ignored in the debate over thoughtful ways to protect innocent citizens from gun violence. Please do NOT weaken the impact of Measure 114 but rather ensure that its implementation will save the lives of Oregonians.

Eugene Uphoff, M.D.
