Yes to HB 3459; Relating to Energy Utility Residential Customers

Chair Marsh, Vice-Chair Bobby Levy, and Vice-Chair Emerson Levy

My name is Lilia Muñoz and I live in Salem, Oregon. Thank you for this opportunity to express my support for HB3459, which will protect Oregon's most vulnerable from having their heat and electricity shut off.

HB3459 is important to me and my family because my family and I are struggling financially and we are having a hard time covering expenses like electricity and heat. I applied to receive help and I was approved! I'm very grateful.

This will make it easier for my family and I to re-establish ourselves in the future. Hopefully you can continue supporting us with this help as it is very necessary when we are in difficult circumstances.

For this reason, I support HB3459, I ask that you please support it too.

Thank you,

Lilia Munoz
