On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I find it a shame that you try to push this legislation through without allowing the citizens of the state vote on it. I adamantly oppose this bill as it infringes on my second amendment rights as an American citizen. This bill will not solve any of the problem with our system that need to be fixed and will only restrict the rights of law abiding citizens. I urge you to reject this bill and get to work fixing the real problem with our state.
