On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I oppose this bill entirely and especially oppose the sneaky amendment...this kind of government behavior is NOT forthcoming and is the main reason why SO many Oregonians DO NOT trust the people who are in charge of our government. There is a reason why our founding fathers of the United States of America put the Second Amendment in the Constitution...because of dishonest government leaders who abuse the authority of the positions they have been given! We THE People will continue to fight for our freedom and the right to protect ourselves from corrupt people AND government leaders!
