

Submitter: Kay Pendleton

On Behalf Of: Marion Cultural Development Corporation

Committee: House Committee On Economic Development and Small Business

Measure: HB3532

I have been a member of the Marion Cultural Development Corporation, Marion County's cultural coalition, since its inception. I write in support of HB 3532 in order to allow the Oregon Cultural Trust to increase its capacity by changing how its budget is calculated in order to better serve all of the cultural partners of the Tribes and Coalitions. Please support HB 3532 with an affirmative vote.
