

Submitter: Alex Pape

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3513

While it is sensible to allow someone to hold another's firearms for them while they prove they are not a danger to themselves or others I see no reason why public funds are needed to do so. I also feel the very idea of having to prove that you aren't a danger to yourself or others goes against the concept of innocent until proven guilty.
