

Submitter: Catherine Flanigan

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3202

I urge you to support this bill to require most outdoor lighting fixtures on public lands or constructed projects receiving state funds to use shielded lighting fixtures. Our beautiful night skies in Oregon are truly an asset for all of us residents and visitors. I support the State of Oregon in setting a visual example with good, safe outdoor lighting.

Thank you for your consideration and efforts toward this goal.
