

March 30, 2023

Dear Senate Committee,

Testimony for Senate Bill 320 Support

I support Senate Bill 320 because I believe that all adults in custody should be able to earn 'Good Time' in the pursuit of equal rights, including first-time offenders sentenced under Measure 11. Approving this bill would allow for equality and improve the lives of so many, both incarcerated and in the community.

Sincerely,

Tia C
