

Submitter: William Littlefield

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB3086

I would like to go on the record in support of HB3086. I'm in favor of the River Basin management area model for the ODFW commission which is the -4 amendment. This will create a much more better management model than the current management model in terms of giving proper representation.

Thank you - Bill L.
