

Submitter: Dylan Meek

On Behalf Of: Tribal memeber

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB3086

Chair,

Please notice that the only people asking for congressional representation are those from the so-called environmental groups. this small group has plagued the state long enough.

I am in support of HB 3086 with the -4 amendment out of committee with a 'do pass' recommendation.
