Measure: HB3086

Chair Helm, Honorable Committee members,

Please pass HB 3086 with the -4 amendment, which was submitted by an Oregon Tribe. Please don't let the self-serving, wealthy Environmental groups voice out way the voice of reason. This is a solid, very fair option that makes sense for the ENTIRE state. A state that is heavily divided. I can't think of a single act to bring Oregon back together then to Include all of Oregon.

Thanks
