

Submitter: Troy Romine

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB3086

support -3086 entirely. It needs to be focused on better management not what legislative offices think. I have lived in Oregon for almost 46 years and support this bill with positivity. The government should not step in the way on gun bills also that make no sense to the people that buy guns in Oregon legally . Thank u for your time and make it a great day ! Troy Romine
