Water

Measure: HB3086

My Name is Rod Cook Avid angler, Oregon needs people running ODFW that are there for the love of wildlife. People that hunt or fish themselves and posses licenses to do so ...These are the men and women that will bring ODFW to greatness and not a frustration for residents and tourists drawn to Oregon for the wildlife opportunities. There should be no politics involved in our forests ,lakes, streams or wildlife. 40 years of democratic party is proof to me of a very one-sided government in Oregon. This will help make sure voices from Residents Are respected and Considered.

I support the river basin management area model for the ODFW Commission therefore I support HB 3086 with the -4 amendment.”
