

Submitter: Shannon Steele

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB3086

I strongly support HB 3086. This bill will better represent the unique landscapes and wildlife of Oregon, and give a voice to the unique people of these landscapes. The ODFW commission as it is structured currently favors the Willamette valley, and discounts the opinions of more rural communities.
