

Submitter: Jim Clark

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB3086

As a long time resident of Oregon and an avid hunting and fishing enthusiast, I wholeheartedly support HB 3086 with the -4 amendment, which aims to update the Oregon Department of Fish and Wildlife (ODFW) Commission structure to the river basin management area model. I believe this is the correct approach and structure to ensure the most effective management of Oregon's outdoor resources for years to come.
